

Merck Canada Inc. would like to inform you that, effective immediately, ANDRIOL® (testosterone undecanoate) will no longer be available in Canada. ANDRIOL® has been on backorder since March 2016, and Merck Canada Inc. will no longer market or distribute ANDRIOL® in Canada:

Product Name	Format	DIN No.	UPC No.	Status	Timing
ANDRIOL® 40 mg	60	00782327	620959140604	Discontinued	Immediate

The discontinuation of ANDRIOL® is not anticipated to affect the Canadian supply of testosterone undecanoate as generic alternatives remain available.

For any questions on **ANDRIOL®**, please contact the Merck Medical Information Centre at 1-800-567-2594.
